THE SECOND ANNOUNCEMENT AND CALL FOR PAPERS

Shkodra is a two thousand year old city, one of the oldest in Albania with rich culture and traditions, important center of Illyrian civilization. The city that carries a long early history often wearing the garb of myths and legends that was called Scodra, built originated near joining two rivers, Buna and Drin, but forever in this city are crossed cultures and traditions, are writing great works from came well known intellectuals. Lying near Shkodra Lake is the city where was founded the first printing press (1565), was wrote the first book on the history of Albania. In Shkodra was founded the first library in Albania at the end of the XVIII century, the city had at the beginning of the XIX century the largest bazaar in the Balkans with 2,500 stores. Shkodra for Albanians means the city that originated the art photography. Since 1858 in Shkodra was founded Marubi photographic atelier. But also is the city of very famous writers, painters and composers. In Shkodra you can enjoy wonderful nature, important cultural centers, museums, religious or early civilizations, why not architecture and characteristic houses.

Faculty of Social Sciences and Faculty of Education are the most consolidated faculties of our University. They has a tradition in the field of education, but also with very good experience in organizing scientific conferences as an integral part of the entire work that realizes the academic staff in education in conveying national values and scientific research. ICRAE 2014 Conference was organized by the Faculty of Education in collaboration with the Faculty of Social Sciences and with all partner universities within Albania and out of it, is part of the scientific work that takes place in these faculties and follow ICRAE 2013 Conference. One of our strategies is the quality of scientific work and its impact on the growth of the scientific working level and increase academic performance with students of all three levels. Together with the University Education for Business and Technology constitute an opportunity and a contribution to exchange of experiences and achievements of our Research, as a priority in order to realize our goals for European integration.

We would like to thank you in advance for your scientific contribution to the Scientific Conference and invite to encourage and promote this collaboration in the future. Visiting Shkodra during this period would be an unforgettable experience for you.
